

GRINDER SERIES

GR 1.2 |

Single Hopper

GR Series

The **GR 1** single hopper coffee grinder is portion controlled so you grind only the amount you need. Grind a small, medium or large batch with the touch of a button. The GR 1's powerful .5 Hp motor and precision slice grinding discs help deliver uniform grind profiles. Grind directly into the brew basket to make grinding and brewing coffee quick and easy.

Grinder shown is GR 1.3. Model GR 1.2 also available.

Control Panel is programmable and serviceable from the front.

Hopper has a generous 15-pound capacity, which means less time filling it.

Grinder Platform holds all FETCO® XTS™, EXTRACTOR® and 5000 series brew baskets. Grind directly into filter paper for larger models.
